Report

Patrols

APS Stoppard

11:00 x 14:00 06/11/2019

No calls for service received during this period.

Continued issue regarding speeding on Shay Lane.

2 x TOR issued for exceed 30, one 47 and one 54 mph.

This is used as a cut through and the introduction of average speed cameras would go a long way in assisting with road safety in the area. I am happy to discuss this with the local authority along with PC Hall if it is felt by residents this would be a benefit.

PC Mawson

14:00 x 17:00 16/10/2019

1 TOR given for no licence - Paul SWITHENBANK

14:00 x 17:00 04/11/2019

Outside the youth centre on High street there is a lay by with zig zags in to prevent waiting up until 1800. Several cars were parked on here. PC Hall is going to speak to council enforcement to attend to deal with issue.

No ASB on Hare Park Lane.

No calls for service whilst in area.

General patrols of the parish conducted and no issues seen or reported.

Several vehicle checks on High Street but nothing of note to report.

PC Steel

08:00 x 12:00 07/11/2019

I was able to utilise my colleagues on off road bike team to patrol the high school and Crofton Junior school at the same time. The issues at the High School were more a case of sheer congestion. No offences observed. The junior school was very busy. There were several cars clearly looking to park illegally however our presence was a deterrent. One motorist however actually parked on the zig zags next to the zebra crossing. Due to the danger this caused the driver was not warned as I didn't feel it was appropriate. She was instead given a ticket for £100 fine.

Patrols made of Crofton through rest of morning. Peacocks land which has always been used by bikes has now been blocked by the owner using fallen trees. This will no doubt ease the issues especially next summer.
